Title: ELECTROOPTICAL LIQUID CRYSTAL SWITCHING ELEMENT WITH
SMALL VIEWING ANGLE DEPENDENCE (as amended)

REQUEST FOR WITHDRAWAL OF IMPROPER HOLDING OF ABANDONMENT

Mail Stop
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

A Notice of Abandonment was received in this application on April 18, 2008, which notice was dated April 16, 2008. The Notice of Abandonment refers to the mailing of an Office Action on May 15, 2007.

The Notice of Abandonment is improper because the mentioned Office Action was never received by the undersigned law firm. Evidence in this regard is a copy of the front cover of the file which lacks any reference to receipt of an Office Action of such date. In addition, also attached are a redacted copy of the firm's central docket listing for August 15, 2007, on which date an entry would appear corresponding to the mentioned Office Action. As can be seen, there is no such entry for "MERCK-1753-D01", the firm's docket number. Also attached is a copy of the docket page for August 15, 2007 from the legal assistant to the undersigned, in whose docket book secondary docketing of the original due date for the mentioned Office Action would have

occurred. Again, there is no such entry.

Furthermore, on February 22, 2008, the undersigned received a phone call from the Examiner who queried as to whether the undersigned law firm had received any Office Action dated April/May 2007. The undersigned informed the Examiner that there was no evidence of the same. The Examiner stated that it appeared a snafu had occurred and that an Office Action should have been mailed but apparently was erroneously handled as evidence by the fact, according to the Examiner, that the Office Action was not scanned into the PTO's PAIR system.

It is hereby requested that the mentioned Office Action be remailed and a new response period be set.

The Commissioner is hereby authorized to charge any fees associated with this response or credit any overpayment to Deposit Account No. 13-3402.

Respectfully submitted,

/Anthony J. Zelano/
